

Helpful Reports

Smart Cookies and Digital Cookie

Smart Cookies

Report Name	Description
Troop Balance Summary	Shows all activity for the troop (orders, transfers, troop proceeds, total amount due to GSEMA, total sales, financial payments, current balance due)
Girl Cookie Totals Summary	Shows all packages currently assigned to every Girl Scout in troop in real-time; good for confirming allocation numbers for recognitions
Financial Transaction Summary	Lists all financial transactions associated with the troop; good for confirming all online payments reflected
Girl Balance Summary	Shows all transactions (transfers, financials) associated with the individual Girl Scouts in the troop
Troop On Hand Inventory	Tracks how much inventory is left in troop based on transfers in Smart Cookies; the total amount left is more important in determining how many packages Smart Cookies shows that still need to be distributed
Recognition Order Summary by Troop	Lists all recognitions earned by the Troop; good for confirming with SUCM/Council on what is being received for total recognitions before distribution to Girl Scouts
Recognition Order Summary by Girl	Lists all recognitions earned by the Girl Scouts in the troop; good for confirming all recognitions entered in the Recognition Order in Smart Cookies

Digital Cookie

Report Name	Description
All Order Data	Shows all online orders associated with the Girl Scouts in the troop (Direct Ship and Girl Delivery); helpful for checking allocations in Smart Cookies to make sure all orders accounted for
Rewards Selection	List all recognition selections (if applicable) that Girl Scouts have made to help fill out the Recognition Order in Smart Cookies to ensure they get what they selected
